### CO-SPONSORS

### CALL FOR PAPERS

The Centre for Electrical Power Engineering Studies (CEPES), Faculty of Electrical Engineering, Universiti Teknologi MARA (UiTM), Malaysia will be organizing The 5<sup>th</sup> International Power Engineering and Optimization Conference 2011 (PEOCO2011). This conference will take place on 6-7 June 2011 at Hotel Grand Blue Wave, Shah Alam, Selangor, Malaysia. The aim of the conference is to provide a platform for engineers, academia and researchers to disseminate and discuss their current research findings and also to explore recent development, current practices and future trends in Electrical Power Engineering and Optimization techniques.

### SUBMISSION OF FULL PAPERS

We would like to invite local and international participants to attend and present their papers. Authors are invited to submit and present their original, unpublished papers in the following areas but not limited to:-

<i>High Voltage Engineering</i> <i>Power Systems Communication</i> <i>Power Engineering Education</i> <i>Power System Optimization</i> <i>Power System Planning and Operation</i> <i>AI Applications in Power and Energy</i> <i>Distributed Generation, Fuel Cells and Renewable Energy Systems</i> <i>Intelligent System</i>	<i>Power System Stability</i> <i>Power Quality</i> <i>Power Electronics and Drives</i> <i>Power System Reliability</i> <i>Protection Systems</i> <i>Power System Transmission &amp; Distribution</i> <i>Power System Simulation</i>
--	---

Prospective authors are invited to submit their full papers in English through edas system. [ismailbm@salam.uitm.edu.my](mailto:ismailbm@salam.uitm.edu.my), [peocouitm@gmail.com](mailto:peocouitm@gmail.com)

**Note: Accepted papers will be published in the IEEE Xplorer.**

### PAPER FORMAT

*Paper size – A4, 2 Column, single spacing*      *Title Font size – 24 Times New Roman*
